Evren Keskin - CW#4

Platform: Win32

Battery level: 92%

Location: 41.0459

URL [https://keskinevren.github.io/adv] OK

Sample code

```
function init() {
        //complete the code below
        plat.innerText = navigator.platform;
        navigator.geolocation.getCurrentPosition(
          (p) => (loc.innerText = p.coords.latitude.toFixed(4))
        );
        navigator
          .getBattery()
          .then((b) => (lev.innerText = (b.level * 100).toFixed(0) + "%"));
        check();
      }
function check() {
        //complete the code below
        fetch(url.value)
          .then((r) => (resp.innerText = r.ok ? "OK" : "No Problem"))
          .catch((e) => (resp.innerText = e));
      }
```
